# WARRIOR OR HUMANIST?

Before there were borders, Belize formed part of what is now Yucatan Peninsula.

Present day Northern Belize is dominated by the Mestizo culture. We are descendants of the Central Lowland Maya and one famous Spanish Conquistador called Gonzalo Guerrero. Though Mexico claims him as their own, glyphs at Santa Rita in Corozal portray the Mayan Ruler Nachan Ka'an as governing all that territory, including present day Chetumal, Mexico.

Shipwrecked in 1511, Gonzalo Guerrero and crew were taken captives by Nachan Ka'an. Guerrero eventually became a friend of Nachan Ka'an and immersed himself in the Mayan culture. He taught the Mayas the military tactics of the Spanish Conquistadores. In gratitude, Nachan Ka'an gave Guerrero his daughter Zasil Ha as wife. They bore 3 children and the Mestizo culture was born.

*"Hermano Aguilar, yo soy casado y tengo tres hijos. Tienenme por cacique y capitán, cuando hay guerras, la cara tengo labrada, y horadadas las orejas. ¿Que dirán de mi esos españoles, si me ven ir de este modo? Idos vos con la bendición de Dios, que ya veis que estos mis hijitos son bonitos, y dadme por vida vuestra de esas cuentas verdes que traeis, para darles, y diré, que mis hermanos me las envían de mi tierra."*

*-Gonzalo Guerrero's response to Hernan Cortez' messenger, who paid a ransom for his freedom*
